## UNITY IS OUR POLAR STAR

Barton W. Stone, one of the founders of our denomination, believed that Christian unity was central to faith. His lifelong conviction was that unity among Christians could be found only through the transforming power of the gospel of Jesus Christ. In *The Christian Messenger*, Stone's monthly pamphlet, he shared his passion for destroying "sectarian props, creeds and names.", instead promoting "love, peace and unity among Christians." He referred to his passion as "the polar star to which our attention and exertion shall be chiefly directed."

For many disciples the phrase "Unity is our Polar Star" became one of the slogans that helped guide the church in the past, and we build on this idea as we continue to be involved in ecumenical work throughout the world. In Huntsville, our congregation belongs to the Southeast Huntsville Ministerial Association who in turn works with the Greater Huntsville Interdenominational Ministerial Fellowship, or GHIMF, whose mission is to unite to spread the Gospel of Jesus Christ and to serve the greater community. Together we worship with one another, support local charities, and continue to build the bonds of fellowship and Christian love.

Once a year, we are reminded of Jesus' prayer for his disciples that "they may be one so that the world may believe" (John 17). Hearts are touched as Christians pray for unity of spirit and purpose. Congregations and parishes all over the world arrange special ecumenical celebrations and prayer services. The event that touches off this special experience is the Week of Prayer for Christian Unity. Traditionally the week of prayer is celebrated between 18-25 January.

This year, since the Week of Prayer for Christian Unity encompasses the Dr. Martin Luther King Jr. holiday, our local Ministerial Associations decided not to hold a special service for this event. Instead we invite you to attend the local celebrations of Dr. King's life and influence. However, this does not mean we will not celebrate the Week of Christian Unity. We will hear about it in our worship service, pray for the unity of all believers, and recommit ourselves to Christ's command to spread the Good News to the ends of the earth. Unity is indeed our Polar Star, as it guides us to new relationships and shared dreams. Amen.
