NEW PLANS FOR A NEW YEAR!

Community Outreach is moving our monthly meeting to the third Sunday at 11:30 am. Our next meeting will be in the FCC Parlor on February 17. This is a great time for new members to attend and share their feelings about how best to meet local needs. All are invited and we hope to see some new faces with fresh ideas!

CHURCH CONVERTING TO LED LIGHTING

One part of good stewardship is getting the best bang for the church's dollar. Converting from incandescent and florescent interior and exterior lighting to LED will result in an estimated monthly savings of \$860 a month. The conversion will pay for itself in around 31 months and will then free up \$860 a month that we are currently sending to Huntsville Utilities. Another upside is that the LEDs have a five year warranty and typically last 10 years. This results in additional savings in purchasing "bulbs" less frequently and labor/time in replacing burned out bulbs.

**COMMUNITY FREE DENTAL CLINIC
AND FIRST CHRISTIAN CHURCH**

For the February outreach project, Community Outreach and CWM have joined together to financially support the Community Free Dental Clinic, which serves low income adults. Since opening in 2013, the Clinic has provided dental care to 7000 adults, primarily with extractions. All of the dental and nursing staff are volunteers and funding comes from, individuals, groups, and a few grants. Nurses take a medical history and provide education to the client on their situation, such as diabetes and high blood pressure, both prevalent among the clients. Just recently, a limited number of cleanings and fillings have been added to services available; however, there is a charge for fillings because of the expense of the materials. Only those within 150% of the poverty level are eligible to receive services at the Community Free Dental Clinic (a sobering statistic - 14% of Huntsville's population meets that criteria). To participate, please make your check to FCC with Dental Clinic in the memo line to help this agency that provides a much-needed service. Thank you for caring about those in need in our community.
